

A program for children 2-16 years with motor challenges, and their parent advocates.

CONDUCTIVE EDUCATION

SUMMER PROGRAMS 2023

(Pending sufficient registrations)

Provided by
SWONT Conductive Education Trust Fund
in conjunction with
SWONT Conductive Education Optimist Club

The program, which is provided in a group setting, is considered a stimulating and powerful motivator, in which the students learn from, cooperate with, and encourage each other. The instruction allows for a maximum level of individualization and adjustment to personal needs.
